## **REPRESENTATIVE MEYERS STATEMENT ON ROAD COLLAPSE IN RED CLIFF**

**MADISON** – State Representative Beth Meyers (D – Bayfield) issued the following statement regarding the road collapse that took place today on State Highway 13 in Red Cliff, which is located within the 74<sup>th</sup> Assembly District.

*“While it appears that nobody was hurt in today’s road collapse and traffic is being diverted, this incident highlights the importance of investing in the state’s rural highway transportation infrastructure. As a member of the Assembly Committee on Transportation, I will continue to be an advocate for more funding going to maintain and improve our state roads. I applaud the efforts of our local community leaders who are helping with this road collapse and I am here to help in any way that I can.”*
